TECHFIT Achieves Milestone Success at MEDICA 2024

Daytona Beach, FL – November 14, 2024

TECHFIT Digital Surgery proudly announces the success of our participation in MEDICA 2024, the world's leading trade fair for medical technology. This year, we made impactful connections with industry leaders, distributors, and surgeons from across the globe, further solidifying our mission to make custom solutions the new standard in medicine.

About TECHFIT Digital Surgery

TECHFIT Digital Surgery develops patient-specific solutions and digital planning tools, enabling surgeons to optimize their workflows and deliver superior care.

TECHFIT's Commitment to Innovation and Collaboration

At our booth in the Florida Pavilion, we showcased our cutting-edge patient-specific solutions and advanced digital planning tools, demonstrating how they seamlessly integrate into maxillofacial systems to enhance surgical precision and outcomes. The overwhelmingly positive response reinforces the growing demand for personalized healthcare solutions. We are committed to continuing our journey of innovation, collaboration, and excellence in transforming surgical care worldwide.
